Subject: RE: Final Work Plan for Enhanced Evaporation

Hi Taurus,

I have reviewed the revised Final Work Plan, and it is fine.

You addressed each of the comments, both general and specific, in the revision to the Draft Plan.

I won't be able to do it today, but I will be sending you a letter on NDEP letterhead, accepting the Plan as it is, and approval to proceed on Work Plan implementation.

I hope to get that letter out on Monday, but it may not be until next Wednesday.

Thanks,

Jeryl
